He's amusing.

What?

About Ga-Ul...

What now?

Hmm... nevermind. You are not going to believe me again.

And so you are going to keep it to yourself only?

It's not that I know... it's... just feeling.

What are you talking about?

He feels... amusing. That's all. He's amusing just to look at. How else do you think I should explain?

Not sure. Amusing to look at... Feeling amused...

Yeah, I know I am not making much sense, but I can't explain better.

야!

You don't kick a basketball!

I had to since I suck at it with hands.

Aren't they boiling out there?

Woohee! So cold!

What are you, a dog? Enough already.

Seriously, this summer is too hot. This is not funny.

Yeah, last year's summer wasn't too bad.

They say it's the hottest summer ever on news.

Aren't those long hair styles make it worse?

Why don't you get a short hair style? I like girls with short hair.

What the hell is he thinking?

Wait..., Hang on...

Why did you take your shirt off?!

I still have my undershirt on.

Well, if you insist.

SLAP!

I was JOKING! Holy smokes, that hurt!

Come over here! I am gonna skin you alive!

Wait! I have good news! You will love this!

Good news?

Yes, I talked to my aunt over the phone and we can visit her this year again! She even prepared us rooms!

!!!

Oh, really, really?!

Yes, yes, we will go as soon as the extra classes are over. Be sure to tell your parents!

Don't you worry about that! We won't be able to visit her next year anyway, so we are going this year for sure!

???

Yeah, we went there last year. My parents won't mind.

... Go where?

Oh yeah, Ga-Ul is going with us this year!

Going where, I asked...

Han-Gyu's aunt's house!

The east sea!
